### Reasons and Evidence

We have decided on the above allocation of Pupil Premium funding to promote inclusion, improve self-esteem and confidence and to provide opportunities for those children who may otherwise not have them. Qualitative data has shown that spending money in the areas outlined above helps to provide children with the confidence to tackle the rigours of the New National Curriculum and improve their attainment. This can be evidenced by our impact statements for previous years Pupil Premium funding available to view on the [school website](#).
