Important bits!

Please be assured, if a club is not going ahead, you will be notified by a letter, text or phone call and a reminder will be posted on Facebook and the school website. The website also has a club timetable with start/end dates. To ease congestion on our busy phone lines, please can parents check these first before calling the school. Thank you for your co-operation.

If your child is unable to attend an after school club due to an appointment etc. please send in a letter to the school office to let them know. As part of safeguarding, if your child does not attend their club without prior notice, we will send you an automated text informing you of this and you will be asked to call the school office to confirm their whereabouts.

Please complete the attached permission slip. We will confirm whether we have been able to offer your child a place in their desired club/s by letter. Slips should be returned **no later than Friday 14th September. No slips will be accepted after this date.**

We hope your child enjoys our extended schools provision.

Yours sincerely
