St. Michael's CE (VA) Junior School

13<sup>th</sup> May 2019

Dear Parents/Carers,

## FORENSIC SCIENCE WORKSHOP

We have been lucky enough to book a 'Forensic Science Workshop' for each class to participate in on **Monday 20<sup>th</sup> May**. The sessions will take place in the school hall and all equipment will be provided.

Each class will take part in a 45 minute session where they will work collaboratively to 'solve a crime'. The activities range from: handwriting analysis, fingerprint analysis, code breaking, and chromatography as well as DNA investigations. They will be working scientifically to analyse a variety of evidence which should lead them to solving the case.

**We are asking for a contribution per child of £ 2.50** to cover the cost of the workshops and this should be paid via ParentPay.

We wish to make it clear that no pupil will be denied participation in this visit on the grounds that no contribution has been made on his/her behalf. Equally it will be clear that the school does not have any resources to subsidise non-contributors, and so if contributions do not match the amount needed to meet the cost of the visit, the trip will not take place. Please note that where monies have to be paid to external agencies in advance of the trip it is unlikely that this proportion of the cost will be refunded if the child is unable to go.

If, in the meantime, you have any queries, please do not hesitate to contact me.

Kind Regard,

Clare Morris  
Science Coordinator
