Dear Parents/Carers,

## Year 6 SATs

Congratulations to all the children and staff in Year 6 including Miss Taverner, who I inadvertently missed off my list of thanks last week – sorry! They have completed a brilliant week of exams. All the papers have been sent off to be marked and the results will not be announced until Tuesday 9<sup>th</sup> July; parents will be notified as soon as we receive them. Year 6 have displayed an exemplary attitude towards the tests this week; they have been focussed and totally committed and there has been a real team spirit – all of the children said that the SATs weren't nearly as bad as they thought they would be! To celebrate the end of the tests, our wonderful kitchen staff made the children a special treat – pancakes, ice-cream and chocolate syrup, which they loved!

## Meet the teacher evening

On the 12<sup>th</sup> June, there will be an opportunity for you to meet your child's new class teacher for the next academic year. The evening will start at 7pm and Mrs Prigg, our new Headteacher, will also be there to meet parents. Class teachers will deliver a short presentation about the expectations for the new academic year; it is hoped that all your questions will be answered.

### **Class and team photos**

Next Friday, the photographer will be in to take class and team photos, which will be sent home with the children when they arrive in school. Please ensure that your child is wearing proper school uniform.

### **Speech, Language and Communication Development**

One of the key indicators of a child's success in school and in life is their vocabulary. We need to continue to expand their vocabulary all of the time. Here are some easy ways to do this:

1. **Make conversation a priority** - The quality of parent-child interactions is one of the biggest factors influencing vocabulary, so it's vital to talk to your child and expose them to different words.
2. **Read together** - The key to a wide vocabulary is a love of reading. It's important to make reading a routine. Don't just read school books, recognise your child's interests and find books that relate to them, as this will encourage them to [read purely for enjoyment](#). Keep reading aloud to your child, even once they're able to read independently, kids love to hear stories, and you can build their vocabulary by choosing books that would be too difficult for them to read themselves. Don't just stick to stories, reading [non-fiction](#) books, children's newspapers and [comics](#) will expose your child to a wider range of words. Talk about what you're reading, too, as this will help your child's [comprehension](#).
3. **Play word games** - I Spy, Scrabble, Bananagrams, Dobble, Crosswords, and Hangman. There's a huge range of [word games](#) that will help your child learn new words in a fun way.

### **Crazy Hair Day**

We had some interesting hair styles as St Michael's today. Thank you everyone, we are still counting but have so far raised over £145 for SMASH.
