

Year 5 Home Learning (Sheet 5) Summer 2
Theme: NATURAL DISASTERS

Writing

- Continue to keep a diary of your time at home.
- Complete the English tasks set on Purple Mash.
- Complete the Natural Disasters research and produce a leaflet and fact file.

SPAG

If you haven't completed this work, continue to work your way through the pack of grammar worksheets to perfect some of the skills we use in our writing. Focus first on areas that you know that you find tricky.

Daily Reading

Children should be reading at least 5 times a week. This is a great opportunity to read some good books!

- Why not sign up for the Summer Reading Challenge? This is all online-based now – you can find out everything you need to know on <https://summerreadingchallenge.org.uk/silly-squad-bc-landing>.
- You will find lots of videos of authors reading their own books here: <https://www.youtube.com/playlist?list=PLEA3D5C281A1511A3>

Thank you for continuing to work so hard at home – you really are doing the most fantastic job!

Here is an overview of tasks that we would like the children to be working on for the last few weeks **(1.7.20 – 21.7.20)**.

Remember that on **Purple Mash**, you can find tasks and games that support learning across the curriculum and the children can email their class teacher at any time.

If you have any queries relating to home learning, please contact Mrs Prigg in the first instance.

Kind regards,

Mrs Orton and Mr Leeding

Maths

We are adding maths tasks for you to complete on purple Mash....make sure; you have a look and have a go!

Times Tables: trackstars.com

We practice times tables during every maths lesson. The children can still challenge Mr Leeding or Mrs Orton to a Rockslam and we will try to answer your challenge as soon as possible.

Arithmetic

Every day for early work, children complete a short arithmetic sheet covering written methods for addition, subtraction, multiplication and division.

On the My Mini Maths website, you can find examples of the types of question that we would use. How many more can you complete?

<https://myminimaths.co.uk/year-5-mini-maths/>

Natural Disasters

1. **Add this address to the search engine**

www.metoffice.gov.uk/schools

2. **Click on 'resources for 7 – 11 year olds'**
3. **Click on 'exploring extreme weather'**

There are many activities to do here and many fun facts to read!

PE

You may not be able to get out as much as usual but you can still keep active! Joe Wicks and Cosmic yoga classes remain firm favourites!

- On Ofi Mabuse's YouTube channel, there are a number of dance classes for children.
