

Impact of Sports Premium Funding Received 2018-2019

Introduction

The Sport premium funding of £18180 has been given to every Primary school this year to improve provision in the following areas:

- 1) Achievement in weekly PE lessons.
- 2) Increased participation in competitive school sport.
- 3) Personal health and well-being.
- 4) Improved attitudes and behaviour towards learning.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

During the academic year 2018-2019, St. Michael's spent our funding on the following areas:

Membership of Chelmsford School Sports Partnership	£960
Sports Coaching	£4000
Sports Equipment <ul style="list-style-type: none">- Wall bars/Climbing Grips- Sports clothing- Gym mats- Sundry sports equipment	£8338
Swimming costs <ul style="list-style-type: none">- Additional swimming lessons- L1 Swimming training (CL)	£1672
CPD <ul style="list-style-type: none">- Wall bars training- Cheerleading- Children's Health Project (RSE training)	£904
PE Administration Costs	£1200
Competition Costs <ul style="list-style-type: none">- Coaches- Wimbledon costs- Dance Festival costs	£706
	<hr/> £17780

Amount spent in 2017/18 from this year's funding	£574
Amount spent in advance of 2019/20	£174
Spending as above	£18355

Employment of experienced and qualified sports coaches including an Active MDA, to work with teachers to ensure the highest quality PE is being delivered in school

Children who attend clubs and those who are less active will benefit from professional coaches leading lessons and clubs for them. We will measure the impact of this from attendance at clubs and overall amount of time children

spend being active. We will make this sustainable by asking for small contributions towards sports clubs run by coaches and by creating strong links with community sports clubs. We have asked specialist coaches from West Ham's schools programme to come in and work with teachers and classes across the school. West Ham's coaching team deliver consistently high quality PE lessons, enthusing children about PE provision but also upskill and improve the confidence of our teaching staff to teach outdoor PE. We have asked Rachel Squiers, a professional dance coach, who has worked with St Michael's in previous years to deliver sequences of PE lessons across the school to each year group. Again, she will be delivering consistently high quality PE lessons, enthusing children about dance but also upskilling and improving the confidence of our teaching staff to teach sequences of dance lessons.

Impact Report

100% of children have a minimum of 2 hours physical activity per week. This is above the average of 99% across Chelmsford. We collect end of year data each year assessing children's attainment in PE. At the end of academic year 2018-19, 94% of children across the school were either at or exceeding expectations for PE. This is an improvement on the previous academic year.

*% are rounded to nearest whole number

Analysis
<u>Year 3</u> Beginning expectations: 1/57 = 2% Working at expectations: 36/57 = 63% Exceeding expectations: 20/57 = 35%
<u>Year 4</u> Beginning expectations: 6/57 = 11% Working at expectations: 48/57 = 84% Exceeding expectations: 3/57 = 5%
<u>Year 5</u> Beginning expectations: 1/52 = 2% Working at expectations: 44/52 = 87% Exceeding expectations: 7/52 = 13%
<u>Year 6</u> Beginning expectations: 6/62 = 10% Working at expectations: 43/62 = 69% Exceeding expectations: 13/62 = 21%
<u>Total</u> Beginning expectations: 14/228 = 6% Working at expectations: 171/228 = 75% Exceeding expectations: 43/228 = 19%

Extra-curricular activities are in addition to this. We offer a wide variety of sports during curriculum PE time, a wide variety of sporting and active clubs and have taken part in Level 2 and Level 3 competitions in a wide variety of sports.

Sports Club Take Up By Year Group:

	Number of Children	Doing one Sports Club or More	%
Year 3	59	52	88
Year 4	62	47	76
Year 5	53	42	79
Year 6	63	46	73
Total	237	187	79

Over the course of the academic year **79%** of St Michael's children accessed at least one sporting club offered by the school. Although figures for Chelmsford schools are no longer available, in previous years, the percentage of children taking part in clubs in all Chelmsford schools was around 50%. During the year, **86%** of St Michael's children took part in at least one Level 2 (inter-school) sporting competition. This is above the average for Chelmsford of 51%. It is also an increase of 10% on the previous academic year.

For the first time, we have been awarded the **School Games Platinum Award** for our PE provision, recognising the high levels of participation in PE lessons, clubs, break and lunchtime activities led by our playleaders and our participation in Level 1, 2 and 3 competition.

Updating and expanding PE and sports equipment

In order to teach consistently outstanding lessons, teachers require high quality equipment and teaching resources. In consultation with staff we have identified that larger pieces of equipment in the hall, such as benches, PE tables and the wall bars are in need of replacement. We will get quotes from specialist companies to ensure that we are receiving good value and high quality replacements. We will ensure sustainability by carefully considering usability and curriculum value. We will measure the impact by surveying teachers' confidence to deliver PE and sport, which will enable us to continue delivering outstanding PE lessons for the pupils at St. Michael's.

After consultation with staff and children, we aim to buy new equipment that will continue to aid high quality teaching, enable teachers and coaches to lead high quality extra-curricular clubs and support a more sustainable and varied PE curriculum for the future.

Impact Report

By using the sports premium we bought additional resources that we knew would improve the quality of PE teaching. We have replaced equipment which was no longer useable, including our wall bars which we were advised were no longer fit

for purpose. This has created opportunities to engage more pupils more effectively in a wider range of PE activities.

Continuous Professional Development opportunities for staff

Teachers and Teaching Assistants will be offered a vast array of CPD opportunities to expand their lesson repertoire and develop new ideas for their curriculum lessons. CPD opportunities are crucial in a 'Good' school that wishes to continue moving forwards and improving. Learning and teaching is monitored by the PE Co-ordinator on a regular basis to celebrate our strengths and address any weaknesses. Where there are areas for development, staff will be encouraged to participate in further, high quality CPD run by CSSP.

Impact Report

All St Michaels teaching staff took part in CPD with a specialist gymnastics teacher, Andy Wood MBE, who came in to teach staff how to safely and effectively use the wall bars to teach curriculum gymnastics. Staff reported that they felt much more confident to use this equipment and the equipment has been used far more regularly during PE lessons as a result.

One of our teachers took part in Health Ambassador training led by Ilsa Fullarton of the Children's Health Project. This training was in preparation for the forthcoming RSE curriculum which will be mandatory from September 2020.

Another of our teachers achieved a Swimming Teacher L1 qualification. Having a member of staff qualified to teach swimming means that we are less reliant on having to pay external swimming teachers. This had become a particular issue as we were aware that a greater proportion of children have required swimming lessons in the past few years and we had been advised by an experienced professional that our swimming provision would be greatly improved by offering a greater number of lessons to each child within a smaller group size. The cost of training was £375. We anticipate that this will save us around £600 in the forthcoming academic year.

Specialist opportunities to inspire

We believe that children will lead healthy lives now, and in the future, if they are inspired and have a genuine understanding of the importance of eating healthily and staying active. We would like to provide the children with visitors and trips that will engage and motivate them to lead healthy lifestyles.

Impact Report

We firmly believe that children who lead healthy lifestyles now, will continue to do so into the future. We try to provide the children with visitors and trips that will engage and motivate them to lead healthy lifestyles.

To further enable us to offer these opportunities to pupils, we spent money on providing coaches to take all Year 4 pupils to an event run by the CSSP called Superstars. This is a multi-sports event open to all Year 4 children across Chelmsford. This year, our children won the event.

Our dance group performed on stage at Chelmsford Civic Theatre as part of the Gotta Dance show. There were some costs incurred in registering the children for the event and in getting them to the event which some parents were not able to cover. We used Sports Premium money to ensure that all children in our dance group were able to take part.

Change for Life programme

Since April 2014, a programme for those who are less active, or not as involved as others in our sports provision has begun. During CfL sessions, we aim to teach the children that activity can be fun and inclusive. Our sports sessions will aim to improve their cardiovascular health and teach them about healthy living. Hopefully we can inspire them to find an activity they feel enthusiastic about and encourage them to become lifelong learners in healthy eating and movement.

Impact Report

Our Change for Life programme is run by a qualified professional sports coach. It provides health, lifestyle and sporting opportunities across the school year for a group of children from Year 3 and 4. The programme offers them the opportunity to take part in sporting events with children from around the Chelmsford area and also take a trip to a local Pizza Express where they learned about healthy eating. Feedback from all trips and events was overwhelmingly positive. Children involved in the 2018-19 programme will be involved as ambassadors and role-models for the forthcoming year.

Membership to the Chelmsford School Sports Partnership

Joining the CSSP will provide ample opportunities for our staff and children to experience a wider range of PE and sport. Our members of staff now access a more thorough CPD programme through the Partnership, and children are attending a wide range of competitions and enriching events.

Impact Report

The CSSP runs a huge variety of inter-school competitions as well as cluster throughout the school year. During the academic year 2018-19 more than 205 children across all year groups participated in events organised by the CSSP.

The CSSP website is also an incredible source of PE and sporting resources which are available for no extra charge.
