

Modified Curriculum final document – Foundation subjects – October 2020

Intent:

- Government expectations are that the curriculum will need modifying and that the gaps in learning will need to have been addressed by the beginning of the summer term 2021.
- In line with the Government Guidance and school closure, subject leaders have identified the learning objectives that were not taught and the impact on our existing sequential curriculum.
- Staff created a modified curriculum plan to ensure all curriculum area gaps will be addressed within KS2

Implementation:

2020/2021	English	Maths	Science	RE	ICT	PE	History	Geography	Art and Design	Design and Technology	Music
Year 3	Summer Term 3 annotate	Summer Term 3 annotate <u>Catch-Up funding</u> <u>Measure:</u> Geometry – position and direction <u>Measure:</u> length and height <u>Measure:</u> mass, capacity and temperature <u>Measure:</u> Time	Parts of a plant	Salvation		Net Games					

Year 6			Living things/Habitats Animals including humans (link to RSE curriculum)
