We're taking part in NSPCC Number Day!

Dear Parents / Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 7th May 2021**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every 25 seconds

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- In the morning, we will be taking on Buddy's Key Challenge in our classes to help raise vital funds for the NSPCC as well as working to solve exciting maths puzzles including 'Who wants to be a Mathionaire?' in our class bubbles, against the clock.
- In the afternoon, we will be 'exploring a million' in UKS2 and developing number sense and problem solving in LKS2
- Family and friends can sponsor pupils to complete the challenge.

Safe Fundraising

- On the reverse of this letter is a sponsor form for Number Day.
- Please send in all sponsorship money by **Wednesday 11th May** in a sealed envelope.
- I will let you know the full amount raised in the next newsletter

It all adds up

I'm really looking forward to all the fun of Number Day, and I really appreciate your support. All the money we raise at St Michael's will make an enormous difference to children today and help NSPCC prevent abuse be there for children.

Thank you.

Clare Morris

Maths Lead
