

St Michael's CE (VA) Junior School

Kit List for Year 6 Residential Trip to Norfolk

Please don't buy new or expensive clothing. There is a high chance that your children will get wet or dirty (or both!). Please make sure that all clothing is named.

Your child will need:

- Single duvet cover and pillowcase
- WATERPROOF jacket with hood (waterproof trousers are useful too)
- Warm coat
- Walking boots or STURDY trainers (no slip on shoes, sandals or Converse type shoes)
- Slippers or sliders for wearing indoors (no slipper socks)
- Warm hat, gloves and scarf
- Lip balm
- Lightweight tops for layering – t-shirts, long-sleeved t-shirts (shoulders should be covered)
- At least two warm jumpers, sweatshirts or hoodies
- Tracksuit bottoms, trousers or leggings (not jeans)
- Socks (not trainer or 'secret' socks)
- Underwear
- Nightwear
- Toiletries
- Towel
- Small backpack with two thick straps (not a 'string' strap bag)
- Water bottle – this will be used repeatedly throughout the week so should be robust with a secure lid
- £5 pocket money in a named envelope along with a £1 coin in separate envelope for ice-cream
- Bin bag for wet/dirty clothes (or those that can't be packed for our return journey)
- Packed lunch in a disposable bag (for the first day only)
- Disco clothes
- Hairbands to keep long hair tied back
- Disposable camera
- Torch or nightlight

All items should be packed in a medium sized bag or case. Your child will need to be able to carry it to their bedrooms (up a flight of stairs) and it should be able to fit under a bed. Larger suitcases that cannot fit under beds should not be used as they cause an obstruction in the event of evacuation during a fire alarm.

Please do not pack any aerosols or sprays as they set off the very sensitive fire alarms.

Children should NOT bring any phones, tablets or electronic items with them.
