

Impact of Sports Premium Funding Received 2023-2024

Introduction

The Sport premium funding of £18260 has been given to every Primary school this year to improve provision in the following areas:

- 1) Achievement in weekly PE lessons.
- 2) Increased participation in competitive school sport.
- 3) Personal health and well-being.
- 4) Improved attitudes and behaviour towards learning.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

During the academic year 2023-2024, St. Michael's spent our funding on the following areas:

Membership of Chelmsford School Sports Partnership	916
Sports Equipment	455.16
Equipment service	198
Minibus

Spare PE kit	28
Sports week	
BMX, scooter, inline skating and fencing	1795
Coach for Superstars Year 4	347
Essex professional coaching	10,315
	19,094

Updating and expanding PE and sports equipment

After consultation with staff and children, we aim to buy new equipment that will continue to aid high quality teaching, enable teachers and coaches to lead high quality extra-curricular clubs and support a more sustainable and varied PE curriculum for the future.

Impact Report

By using the sports premium we bought in companies from sports that are not taught in the curriculum. These included sports were BMX, Scooting, inline skating and Fencing. The child got the chance to try out new sports that they otherwise would not have been able to try and expand their cultural capital.

We have also expanded the range of sports that are available at St Michael's with the purchase of new equipment such as dodge balls and rugby balls as well as updating the net balls, footballs and basketballs that we already had. These further enable the teaching of a wide curriculum and have been used during lessons.

Membership to the Chelmsford School Sports Partnership

Joining the CSSP will provide ample opportunities for our staff and children to experience a wider range of PE and sport. Our members of staff now access a more thorough CPD programme through the Partnership, and children are attending a wide range of competitions and enriching events.

The CSSP runs a huge variety of inter-school competitions as well as CPD throughout the school year. They are a valuable source of support and expertise
